

Five Outcomes of Camp

When Girl Scouts come to camp, they do more than just have fun! Our camp programming is designed to help girls grow and benefit through the Girl Scout Leadership Experience.

1 Strong Sense of Self

Girl Scouts have confidence in themselves and their abilities; they form positive identities.

At camp, campers are encouraged to try new activities and practice their skills. Campers have the freedom to choose extra activity rotations to add to their daily schedule.

2 Healthy Relationships

Girl Scouts develop and maintain healthy relationships by communicating their feelings.

In a group living setting like camp, conflict can happen. When it does, our trained counselors discuss any disagreements with campers and help them solve their conflict constructively.

3 Challenge Seeking

Girl Scouts take appropriate risks, try things even if they might fail, and learn from their mistakes.

At camp, our staff instructors are trained to supervise their specialty area and engage campers in healthy risk taking. Campers can try “challenge by choice” in an encouraging, uplifting environment.

4 Positive Values

Girl Scouts act ethically, honestly and responsibly, and show concern for others.

Campers learn to share responsibility in keeping their living area clean and assisting in cleaning areas shared by all camp during daily “kapers.”

5 Community Problem Solving

Girl Scouts desire to contribute to the world in purposeful and meaningful ways, learn how to identify problems in the community, and create “action plans” to solve them.

As a part of our group living environment at camp, campers create their own rules for their groups with the guidance of counselors.

Camp Q&A

Join Us for a Summer Camp Q&A!

December 12, 2023 | January 9, 2024

6:30–7:30 pm

Join our Outdoor Program Manager, Teri Dyer, via Teams to learn more about our 2024 summer camp sessions and get any of your summer camp questions answered! Learn more and register by going to our [Events Calendar](#).

Dear Diamonds,

We are all looking forward to another wonderful summer! At camp, kids grow more confident, comfortable expressing themselves, and stronger in their ability to make friends. Our staff are passionate about their jobs and cherish the worth in all campers, showing them the wonders of the outdoors, and how to have fun. I truly believe they are the best role models. Every camper should feel a sense of belonging at camp, where they can be proud of who they are.

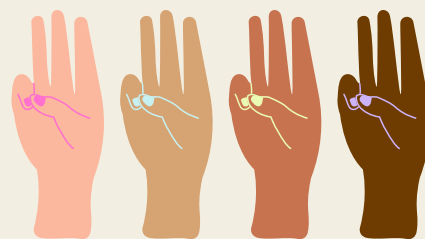

As a part of the Girl Scouts – Diamonds of Arkansas, Oklahoma and Texas Council, Camp NOARK shares in the mission to build girls of courage, confidence and character who make the world a better place. We are nestled in the Ozarks to give your camper a true outdoor experience.

If you have questions regarding our programs or are wondering if Camp NOARK is the right fit for your child, please feel free to contact me.

See you this summer!

If you ask around, you will hear firsthand how good our food is here at Camp NOARK. These campers are so busy, we want to make sure they have lots of options to choose from so that they get the nutrition they need. We spend a great deal of time planning all the menus, testing and selecting the best food choices and making items available that promote healthy choices and accommodate all dietary restrictions.

Lunch	Chicken strips, mashed potatoes and green beans. Salad bar. Ice cream sandwich. Gatorade.

“Camperships” to Camp

What is a “campership”?

Camperships are scholarships funded by the generosity of donors who contribute to our campership fund each year. Our goal is to make camp a possibility for all girls. Financial difficulties should never be the reason a girl can't experience the life-changing lessons found at camp.

How much can we apply for?

First-time applicants may apply for up to 100% of the cost of the camp session, less the \$50 deposit. Second-time applicants may apply for up to 75% of the cost of the camp session, less the \$50 deposit. Third-time applicants can apply for up to 50% of the cost of the camp session, less the \$50 deposit. Priority will be given to first-time applicants.

How do I apply for camperships?

You must register for camp and pay the \$50 deposit, then complete the registration form online.

When is the deadline to apply?

Campership applications open January 9, 2024, and all applications are due by March 31, 2024.

More Info?

Email camp@girlscoutsdiamonds.org

How do I know we will receive a campership?

All applicants will receive notification by April 9, 2024.

How can I contribute to camperships?

Camperships do not exist without the generosity of our donors. If your family is interested in donating to camperships to make camp a reality for a sister Girl Scout, please email funddevelopment@girlscoutsdiamonds.org or visit girlscoutsdiamonds.org/give to donate directly to the campership fund.

FAQ

Who can attend Girl Scout summer camp?

Summer camp is open to all campers in grades K-12. Each session has grade requirements which must be met to prioritize the health, safety and well-being of all campers.

My camper is not a Girl Scout member but would like to attend camp. Can they attend and are there additional fees?

Yes, Girl Scout camps are open to all. Campers who are not members of Girl Scouts will pay an additional \$25 from January 8–March 31 or an additional \$35 beginning April 1 to cover their membership registration. The \$25 fee will allow the camper to be a registered member of Girl Scouts through September 30, 2024, and the \$35 is an extended year membership covering until September 30, 2025.

When does Girl Scout summer camp registration open?

Registration opens January 8, 2024, at 9am. Be on the lookout for a SPECIAL SALE starting November 24!

Can campers attend with a friend?

Yes! Camp NOARK can place campers with a buddy. Buddies must be in the same age group and register for the same session. Both buddies should request the other's name during registration. We only allow campers to choose one buddy.

How is my child safe?

Your camper's safety is our number one priority. We follow state licensing, ACA accreditation, and Girl Scout safety standards which include, but are not limited to:

- ▶ Background checks for all adult camp staff and volunteers.
- ▶ Certified lifeguards, health supervisors, and high-risk activity instructors.
- ▶ Training for all staff and volunteers to prioritize your camper's physical and emotional wellbeing.

Can campers bring a cell phone?

No. Our camps are unplugged to let campers connect with nature, others, and themselves. The camp director will contact caregivers if a camper has a medical problem, is excessively homesick, or has an emergency.

Is my camper ready for camp?

Yes! At both day and overnight camp, campers will be paired with others their own age and participate in activities appropriate for their level of camp experience. They will create memories that will last a lifetime and stories they will look forward to sharing with you. If you are considering camp for the first time, try Troop Camp or our Daisy Brownie Camp.

Why is CIT II \$700?

A regular week of camp is \$425. CIT II campers are attending two weeks as campers and have a \$150 discount due to the time they are spending immersed with girls practicing the skills they are learning. The third week of CIT II is spent as a Junior Counselor in unit with girls. You are not being charged for this week.

Why is equine programming more than regular?

Our equine program is incredible. There is a \$30 per barn day fee assessed to each equine camp session to support the equine program.

Who are the camp staff and volunteers?

We select talented, experienced, and caring adults to serve as role models and caretakers. They are selected because they have a genuine desire to work with campers and are trained in areas such as first aid and CPR, emergency procedures, child development, mental and behavioral health, working through homesickness, team building, and more.

What certifications do staff have?

- ▶ Youth Mental Health First Aid, CPR/First Aid, various activity certifications including Archery, Lifeguard, Low Ropes, BB gun, Hatchet and Knife Throwing, etc
