

Summer/Fall Programs Preview

Below you will find a preview of Girl Scouts events scheduled for June 2023-January 2024, including signature events, camp and outdoor programs, STEAM events, trainings and more. This year we will release two Program Previews and two Program Guides. The first Program Guide will be released in July 2023 covering fall programs and another guide in the fall to cover spring and summer 2024. This is a preview. Check out the full Program Guide in July 2023 and online events calendar for event details and added events.

Equine on Demand

This year the barn is your one stop shop for scheduling, building, and purchasing your equine experience, anything from individual lessons to service unit encampments! Contact barn@girlscoutsdiamonds.org to get started.

Archery Equipment Rental

Archery kits are available to rent! Kits are located at the Northeast regional office in Jonesboro and at Camp NOARK in Huntsville. These can be rented for \$25 per 4 hours. Email camp@girlscoutsdiamonds.org to reserve the kit. You must have your own certified archery instructor to rent the equipment. Be prepared to submit their certification at the time of the rental request.

Property Reservations and Rentals

Experience the great outdoors and discover Girl Scout properties! Both Girl Scout families and troops can make reservations at any of our camp properties for 50% off the public rate. We have camps in Huntsville, Hot Springs and Fort Smith. Our regional offices (Little Rock, Jonesboro, Fort Smith and Rogers) also have space available for your next troop meeting at no cost! Visit our website to learn more about our spaces. Any questions call 800-632-6894 or email info@girlscoutsdiamonds.org.

Activity Areas at Camp NOARK

This September all activity areas at Camp NOARK will be open again for reservations! This includes archery, hatchets, BB guns, and Challenge Course (ROCC). Cost is \$15 per person per hour for Girl Scout members, which includes all supplies, use of activity area, and a certified facilitator. Participant numbers and minimum number of hours are dependent on activity and age of Girl Scouts. Check out the full program guide this summer for more details.

Be on the lookout for the detailed Program Guide this July for even more events and resources!
