

Invest in Girls. Change the World.

Join Juliette's Circle today!

Juliette's Circle is a special group of strong women supporting the growth of strong girls in the Girl Scouts - Diamonds of Arkansas, Oklahoma and Texas council. When forward-thinking women place their collective energy and resources to work in support of girls, incredible things happen. A gift of \$1,000 for three years places you in this special society of donors. This is a circle of friends limited to 100 founding members. Your gift enables us to provide financial assistance, senior scholarships, and top-notch program opportunities for girls of all backgrounds and abilities as they discover their strengths, rise to meet new challenges and work together to build a better world.

We are unmatched in our ability to build girls of courage, confidence and character who will become the next generation of female leaders and difference-makers.

Strong women build each other up. Help us lay the foundation for tomorrow's leaders today. Join to make your impact on the future of girls across our Girl Scouts - Diamonds Council. Inspire girls by showing them the power of engaged and dedicated women.

Who is Juliette Gordon-Low?

Juliette Gordon Low, known by her nickname "Daisy," founded Girl Scouts of the USA in 1912.

She imagined a movement where all girls could come together and embrace their unique strengths and passions. Girl Scouts today

still share plenty of similarities with the very first Girl Scout troop in 1912: they connect with their communities, get outdoors, challenge themselves, and find ways to make the world a better place.

Early in her mission, Daisy sold her pearls to finance Girl Scouts. To commemorate our founder, each Juliette's Circle member will receive a 60" strand of pearls with a Girl Scout Trefoil clasp from Jones and Son Fine Jewelers.

Why Girl Scouts?

Girl Scouts is a one-of-a-kind leadership development program for girls, one that is designed with, by and for girls. Girl Scouts takes the potential of girls, combines it with robust skill-building programming, and adds caring adult mentors and strong female role models.

When you support Girl Scouts, you help grow girls who:

- **Speak up** for themselves
- **Work hard** to bring change to the world
- **Educate** and inspire others to act
- **Seek** new adventures and experiences
- **Solve** problems resourcefully
- **Build** teams
- **Gain** practical life skills
