January 23, 2012

Dear Sir or Madam,

This year, Girl Scouts celebrates its 100th Anniversary! To mark this milestone and to honor founder Juliette Gordon Low, who loved nature and the outdoors, Girl Scouts of all ages, volunteers and alumnae are engaging in Girl Scouts Forever Green. This nationwide, take-action project offers a powerful leadership experience that makes a huge positive impact on the environment and increases the visibility of Girl Scouts in every community.

On **Saturday, March 31, 2012 at 8:30 p.m.** people all across the globe will participate in Earth Hour. Originally started as a single-city initiative in Sidney, Australia in 2007, Earth Hour has grown to include hundreds of millions of individuals on every continent in the world. This initiative encourages individuals and businesses to turn off non-essential lighting as a means to reduce power usage during that hour and to bring awareness to the different ways that our community can make a meaningful, positive impact on the environment.

Girl Scouts are making the commitment to continue our efforts to save energy and be at the forefront of environmental stability. We ask that you join us by participating in Earth Hour. More detailed information is enclosed. You can learn more about Earth Hour by visiting www.earthhour.org, and see how Girl Scouts Forever Green is making a difference by visiting www.girlscoutsdiamonds.org/JoinToday/100thAnniversary/ForeverGreen.aspx.

Girl Scouts – Diamonds of Arkansas, Oklahoma and Texas thank you in advance for your consideration.

Sincerely,

A handwritten signature in cursive script that reads "Denise Stewart".

Denise Stewart
