

You can help keep Camp NOARK operating for today's (and tomorrow's) girls.

Girl Scouts have been camping at Camp NOARK for over half a century! In the spirit of Using Resources Wisely (a tenet of our Girl Scout Law), our council has opened use of our Girl Scout camps to use by the wider community. Thank you for supporting Girl Scouts by renting Camp NOARK and promoting its use to others!

Camp NOARK is located near Huntsville, Arkansas and is a property owned and managed by Girl Scouts - Diamonds of Arkansas, Oklahoma and Texas. For additional information about [Camp NOARK](#) and other Girl Scout information, please visit the official council website at www.girlscoutsdiamonds.org.
