COVID-19 Update 3

March 16, 5PM

Office/Property Closures

Beginning Tuesday, March 17, all Girl Scouts – Diamonds properties, including our shops and our five regional offices, will be closed through March 30 for all but essential staff. Thanks to technology we have in place, council operations, including customer care, will continue, with staff working from home. Please continue to refer to this page for updates.

Cookie Program

Effective today, all cookie booth activity is being canceled nationally. However, if individual girls still have cookies for sale and wish to continue, we encourage creative ways to sell as long as all normal and COVID-19 related safety measures are followed. Additional Cookie Program updates and information about cookie cupboards will be communicated to cookie managers via eBudde. Extended cookie deadlines were communicated on Friday, and any changes to those will be communicated through cookie managers as well.

Girl Scouts at Home

Check our Girl Scouts at Home activities on our website for some ways girls can participate in Girl Scout activities and earn awards even when school and other activities are canceled. And, stay tuned, our program team, as well as GSUSA, are working on additional activities that can be done by individual girls and virtually by troops.
