January 12, 2021

Dear Girl Scout Members,

As always, Girl Scouts - Diamonds of Arkansas, Oklahoma and Texas remains committed to the safety of our members. In accordance with this focus, new COVID guidance may be issued from time to time as national and state guidelines shift and change. Prior Girl Scout - Diamonds COVID guidance on meeting capacities and limits is now replaced with the updates below.

Updated Meeting Guidance

According to the new [Directive Regarding Indoor Venues](#) from the Arkansas Department of Health (ADH), all group meetings, including, but not limited to, troop, service unit, etc., must not exceed attendance of more than ten (10) persons within an indoor meeting space at a time without ADH approval. Any meetings or events exceeding this limit must receive prior approval from ADH via an application that includes, but is not limited to, the square footage, floor plan and occupancy of the meeting space. The application may be found [here](#).

Outdoor Girl Scout meetings as well as indoor meetings with ten (10) persons or fewer may continue to occur as normal, following ADH and [Girl Scouts – Diamonds Covid-19 safety guidelines](#). Indoor meetings of more than ten (10) persons may occur **only** if the meeting is approved by the ADH.

Girl Scouts - Diamonds recommends that troops continue to engage virtually as well as in small groups as it is safe to do so. Please send all questions regarding meeting requirements to property@girlscoutsdiamonds.org.

How to Reach Girl Scouts - Diamonds Staff Members

Know who you need to reach?

Regardless of whether a staff member is working in the office or from home, they are accessible through all regular forms of communication including email and phone and can be available for in-person or virtual meetings at a mutually agreeable time.

If you do not know the email address of the person you need to reach, all staff contact information is listed on our website. When a staff member is not physically in the office, calling may result in the need to leave a voice mail, so email is likely a more direct option.

Don't know who you need to speak with?

Call our customer care team at 800-632-6894 or email info@girlscoutsdiamonds.org and you will be connected with the appropriate staff member.
