

Family Adult Permission and Responsibility Form

2022 – 2023 Fall Product and Cookie Programs

The Girl Scout Fall Product and Cookie Programs are important to girls, their groups and to the Girl Scout councils. These programs provide funds to support activities such as Girl Scout events, trips, camping, and service projects. For councils, the programs provide funds to recruit and train adult volunteers, organize Girl Scout groups, provide council-wide programs such as science and career workshops, and provide financial assistance so all girls have access to the opportunities Girl Scouting offers. Through the Girl Scout Product Program girls develop these essential skills and more: goal setting, decision-making, money management, people skills, and business ethics.
