### Diamonds Program Announcements

#### Texarkana GirlBots STEM Event

The factory needs a new robot! At this event hosted by our STEAM Center manager, you will be designing a robot that can lift or push to help! You will learn a skill, design a solution, and build a prototype.

Session 1: 10:30am-12pm: Daisies and Brownies will earn their Design a Robot badges.  
Session 2: 1:30-3pm: JCSA will begin their robot badges to complete later with their troops.

Thanks to ABB, all levels will also receive ABB STEM Kits and badges to complete with their troops!
