September 14, 2022 | 10am-12pm

Chenal Country Club
Little Rock, AR

Jenny and Dave Marris are a husband-wife duo who turn fixer-uppers into fabulous homes. They focus on restoring historic homes in Bentonville and surrounding areas. Some of these projects are featured on their show, “Fixer to Fabulous”

on HGTV. Together they run Marris Developing, a company that specializes in the renovation and restoration of historic homes.

Girl Scout alum Jenny is the creative backbone of their renovations. Dave is an expert craftsman, builder, general contractor, and all-around handyman.

Join Girl Scouts – Diamonds with Jenny and Dave Marris and show your support for all girls as we offer a dose of these creative and mission-driven entrepreneurs with our signature BIG (Believe in Girls) Brunch.

Girl Scouts is a world where girls can do, and be, whatever they dream. When you support Girl Scouts, you champion the next generation’s dream. Please join us in believing in girls and helping them find their own pathways to success.

About Girl Scouts

Their dreams, ideas and ambition are part of our DNA. Today's girls want to shoot movies, build robots, speak up for what they believe in, help others, change a law, save a historic home. Girl Scouts gives girls the tools to fuel their ambition, try new things, learn from failure, and make the world a better place.

A vast number of women leaders today credit their success to what they learned in Girl Scouts, offering proof that investing in girls today, impacts the leaders of tomorrow.

About The BIG Brunch

Wear your Girl Scout green and join Girl Scouts – Diamonds in a fun celebration of the achievements that are made possible when you choose to believe in girls. Brunch for a cause with a champagne reception and plated brunch hosted by Girl Scout alums and featuring special guests, Jenny and Dave Marrs.

New this year!

Inspired by our special guests, a fun activity is being added to the event – the Playhouse Project. Five local designers will put their own special touches on their own small playhouse to be auctioned. The houses will be displayed in a public place in the days leading up to the event, allowing the public to view and pre-bid.

About Jenny and Dave Marrs

Girl Scout alum Jenny and Dave have 5 kids: 9-year-old twins, a 7-year-old (adopted from the Congo), a 5-year-old, and a 2-year-old. They live on a blueberry farm and donate the proceeds to non-profit work in Zimbabwe where they have an agricultural training program, training orphaned teens who need life skills because they haven't been plugged into school.

“Fixer to Fabulous” has aired for three seasons (with a fourth in the works) and follows the couple as they focus on restoring historic homes. From dilapidated front porches to squirrel invaded attics, there's nothing this duo can't take from a fixer to fabulous!

In addition to their regular “Fixer to Fabulous” series, Dave and Jenny starred in the discovery+ series, “Fixer to Fabulous: Welcome Inn,” which follows the Marrs' venture in transforming an 1880s historic home near downtown Rogers into a bed-and-breakfast. The duo most recently starred as one of the four competing teams in season three of HGTV's mega-hit competition “Rock the Block.”
