## On-time Renewal Guide

**Wow!** Can you believe it's time to begin thinking about your next year of Girl Scouting... where did the time go? It was difficult to imagine our world during a pandemic and even more strange to picture Girl Scouts providing a foundational leadership experience to the girls in our communities in new ways during such a time.

This was all made possible by YOU - each and every one of our dedicated and determined Girl Scout leaders who rolled up their sleeves, put on a smile and believed the show must go on!

If you have been with us along this journey, you know we have lots of fun, memorable incentives to help you what about start your year off in Girl Scout style!

We look forward to another year with you. Together, we've got this!

Check out our top three reasons why you should renew now:

- 1 It's so easy with online renewal!** Just go to your MyGS count and login to renew yourself and/or household. (See renewal instructions within this guide for more help!)
- 2 Be prepared and ready to go for the fall product program!** You don't want to be stuck waiting to get started on reaching your troop's goals!
- 3 We're offering incentives!** You'll help your troop and service unit reach their goals and there are some fantastic incentives!

### Troop Leader Reminders
