Accounting standards require the Council to evaluate tax positions and recognize a tax liability (or asset) if the Council has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service (IRS). The Council has analyzed the tax positions taken and has concluded that as of September 30, 2018 and 2017, there are no uncertain positions taken or expected to be taken that would require the recognition of a liability (or asset) or disclosure in the financial statements. The Council may be subject to audit by the IRS; however, there are currently no audits for any tax periods in progress.
