Legacy Badges

Finding Common Ground – Difference of background: interview someone from another country, region, or town who lives in your country now, page 2

New Cuisines – Make a dish from another country: Cook something from an area of the world you're curious about, Find a relative, friend, or neighbor who's an immigrant, or Let a particular ingredient be your tour guide, page 2

Cadette Girl Scout Way – Teach an international song: find at least one new song, learn to pronounce it, and teach it to others, page 2; Be confident and courageous: Speak up about issues affecting girls around the world and build awareness, page 4; Go global: learn to say the Girl Scout Promise and Law in another language, and then talk to Girl Guides or Girl Scouts from another country where that language is spoken and see what they do there to help people, page 7

Trees – The Japanese Art of Bonsai, page 5

Journeys

It's Your World–Change It!

Amaze!

Cadettes develop the people skills that leaders need.

Cartoon Fit for A Queen – Read about how Queen Rania of Jordan combats global stereotypes, Girl Book, page 24

Friendships the World Over: A Girl Scout Legacy – What revolutionary change might the world experience if leaders took the same time and care building relationships – across geographical, racial, and cultural borders?, Girl Book, page 53

How Feelings Fit into Farm Work – Read about Elizabeth Byanjeru Rubaihayo a scientist in Uganda, Girl Book, page 131

Trips and Team-Building Activities – Take a field trip to visit a life-size maze that will add richness to the journey, Adult Guide, page 28

How Do Relationship Skills Impact the World? – Use the discussion points to talk about relationships around the world, Adult Guide, page 72

It's Your Planet–Love It!

Breathe

Cadettes become leaders in clearing the air!

World Working Together for Air – How are countries around the world contributing to the Ozone hole and how are they helping to mend to ozone depletion, Girl Book, page 38

Changes in the Air – Read about the study team that sampled the air pollution and its impact in China during the 2008 Summer Olympics in Beijing, Girl Book, page 40-43

Seeing the Forest for the Trees – Learn about the AmeriFlux that monitors “biosphere breathing”, Girl Book, page 52-53

Tapping into Teak – Read about the teens of the Kubiti Teak Plantation Group in Ghana, Girl Book, page 55

Looking at Lichens 30 Stories Up – Read about Marie Antoine’s studies in Ontario, Canada, Girl Book, page 58-63

Answer: What’s in the Air – Read about air pollution around the world, Girl Book, page 67

Wind Farm Haiku and you – Haiku is a Japanese verse form, write your own airy haiku, Girl Book, page 99

Cadettes and the Great Outdoors – Take a trip to a wind farm, Adult Guide, page 16

Air Time Options – Ask the girls what they would like to spend more time on, such as air quality issues around the world, Adult Guide, page 86

It's Your Story–Tell It!

Media

Girls pit the ME in media.

Publishing Community for Kids – Check out SchoolNet Global, a publishing community that links children in more than 40 countries by giving them access to collaborative Web Site and teaching them how to post Web pages, Girl Book, page 62

Opening Ceremony: Top Stories – Ask the girls to share a favorite headline about one interesting news bit (personal, local, national, or international), Adult Guide, page 53

Planning Field Trips – Ask girls what media interests them and where they can go to see media being created, Adult Guide, page 57
