

How to Make Marble Paper

Materials:

- Cookie sheet, pie dish, or similar pan
- Shaving cream
- Spatula or something to level the shaving cream with
- Food coloring
- White cardstock or watercolor paper
- Toothpicks
- Ruler or cardboard

Instructions:

1. Spray shaving cream onto cookie sheet, pie dish, or similar pan.
2. Level out shaving cream with spatula.
3. Squirt food coloring onto surface of shaving cream.
4. Swirl designs into your shaving cream, using a toothpick.
5. Lay paper down and pat it gently so all of paper is covered on underside with shaving cream/paint.
6. Gently pull off paper and lay down with shaving cream side up.
7. Scrape off shaving cream with ruler, cardboard, or spatula and let dry.
