

CAMP NOARK Summer Camp 2025

Green Friday
Details Inside!

Camp Registration Opens January 8

Dear Camper Families,

As we gear up for another incredible summer, I'm excited to share how we're empowering every camper to discover and embrace the best version of themselves. At camp, girls grow stronger in their confidence, forge new friendships, and experience personal growth through exciting challenges and hands-on learning. Our staff are more than role models—they are passionate mentors who inspire each camper to explore, take risks, and feel proud of who they are.

This summer, each weeklong session will feature two unique program partners, offering campers exciting new adventures and challenges. From exploring the great outdoors to target sports and the challenge course, girls will have the chance to step out of their comfort zones, build leadership skills, and discover what they're truly capable of. Every experience at camp helps them grow in confidence, take the lead, and return home ready to make a difference.

At Camp NOARK, nestled in the heart of the Ozarks, we honor the Girl Scout tradition of fostering growth, creativity, and a love for the outdoors. Every girl who steps foot on camp will find a space where she belongs, a place to unplug, discover her strengths, and create memories that will last a lifetime.

If you have any questions about our programs or what we offer, don't hesitate to reach out. We're excited to welcome your Girl Scout to camp this summer and watch her soar!

Yours in Girl Scouting,

Outdoor Program Manager

Five Outcomes of Camp

When Girl Scouts come to camp, they do more than just have fun! Our camp programming is designed to help girls grow and benefit through the Girl Scout Leadership Experience.

1 Strong Sense of Self

Girl Scouts have confidence in themselves and their abilities; they form positive identities.

At camp, campers are encouraged to try new activities and practice their skills. Campers have the freedom to choose extra activity rotations to add to their daily schedule.

2 Healthy Relationships

Girl Scouts develop and maintain healthy relationships by communicating their feelings.

In a group living setting like camp, conflict can happen. When it does, our trained counselors discuss any disagreements with campers and help them solve their conflict constructively.

3 Challenge Seeking

Girl Scouts take appropriate risks, try things even if they might fail, and learn from their mistakes.

At camp, our staff instructors are trained to supervise their specialty area and engage campers in healthy risk taking. Campers can try “challenge by choice” in an encouraging, uplifting environment.

4 Positive Values

Girl Scouts act ethically, honestly and responsibly, and show concern for others.

Campers learn to share responsibility in keeping their living area clean and assisting in cleaning areas shared by all camp during daily “kapers.”

5 Community Problem Solving

Girl Scouts desire to contribute to the world in purposeful and meaningful ways, learn how to identify problems in the community, and create “action plans” to solve them.

As a part of our group living environment at camp, campers create their own rules for their groups with the guidance of counselors.

A Day in the Life of a Camper

An average day at camp? No such thing!

You and your fellow Girl Scouts will work directly with your counselors to create your ideal schedule while you adventure at Camp NOARK! Here's an example of what a day at camp might look like:

What's on the menu?

Food is crucial to a great camp experience and can be a prime concern for parents and campers alike. One way to keep campers energized and happy is having a quality food service operation. If you ask around, you will learn firsthand how good our food is at Camp NOARK. Our campers are so busy, we want to make sure they have lots of options to choose from so they get the nutrition they need. We spend a great deal of time planning the menus, testing and selecting the best food choices, and making items available that promote healthy choices and accommodate all dietary restrictions.

Sample Menu

Breakfast	Pancakes and bacon. Fruit, yogurt, toast and oatmeal bar. Milk and juice.
Lunch	Chicken strips, mashed potatoes and green beans. Salad bar. Ice cream sandwich. Gatorade.
Snack	Granola bar and cheese stick.
Dinner	Build your own pasta, marinara or alfredo, chicken or beef, carrots and bread. Salad bar. Cupcake. Gatorade.

Getting Ready for Camp

- ◆ Make an appointment for your camper's physical well-in-advance of camp.
- ◆ Submit health history and camp forms ahead of time digitally through CampDoc.com, a secure and easy-to-use electronic health record system for camps.
- ◆ Attend a Camp Info Session with your camper. Meet the outdoor program manager and get questions answered.
- ◆ Make your final payment for your camper's session no later than 2 weeks prior to the session start date.
- ◆ Review the CampDoc Participation Agreement and talk to your camper about what to do if she has any concerns or issues.
- ◆ Talk to your camper about taking responsibility for herself and her belongings. Remind her to drink plenty of water, change her clothes regularly, and wear sunscreen! Staff will also remind the campers regularly.
- ◆ Make sure you have clearly labeled your camper's bags, and she knows what her bags look like. Better yet, have your camper pack her own bag. Campers who pack their own bags are better prepared and less likely to get homesick because they know what they have brought to camp.
- ◆ Discuss her expectations for camp. Tell her she will have fun and get to try new things. Speak with her about your own memories from camp!
- ◆ Check your camper for unexpected head lice before she comes to camp. Every camper has a head lice exam at check in. Campers with head lice cannot attend camp and there is no refund for the camp fees. Avoid this by examining her yourself, several times in the weeks leading up to camp. If you do find signs of lice, please treat with a medicated shampoo intended for head lice and follow directions carefully.
- ◆ Tell her you will miss her, and that you expect her to have a wonderful time and that you are looking forward to learning all about her camp experiences when she returns. Please do not give her the option of calling you (it is not an option) or coming home early; this almost guarantees homesickness. Should there be an issue, the camp staff will contact you. You can use Bunk1 and send letters to your camper or bring letters at check-in to be given to your camper daily.

Helpful Packing Tips

- ♦ Campers who pack their own bags are better prepared and less likely to get homesick. They will know what they have packed, where it is, and how to repack when it is time to go home.
- ♦ Please pack comfortable play clothes. Campers will play and be active.
- ♦ Mark everything with your camper's full name. This helps us return items if they are left behind. Lost and found items will be available to pick up at checkout. Any items not claimed at check out and not identifiable to a camper will be donated the following Monday.
- ♦ Make your camper's bag easily identifiable to help her find it.
- ♦ Use the packing list as a guide. Much of what your camper packs will depend on her personal habits.
- ♦ Please do not feel obligated to purchase items. Be creative and substitute anything that will fill the need.

Helpful hint: Pack each day's outfit in a gallon size zipper bag (shorts, shirt, socks, underwear) to make it easy for your camper to get dressed.

Camper fees will not be refunded if a camper leaves due to homesickness, illness or misconduct. Camper fees will not be refunded if camper arrives with head lice or a temperature greater than 99 degrees. Camperships are not refundable.

“Camperships” to Camp

What is a “campership”?

Camperships are scholarships funded by the generosity of donors who contribute to our campership fund each year. Our goal is to make camp a possibility for all girls. Financial difficulties should never be the reason a girl can't experience the life-changing lessons found at camp.

How much can we apply for?

First-time applicants may apply for up to 100% of the cost of the camp session, less the \$50 deposit. Second-time applicants may apply for up to 75% of the cost of the camp session, less the \$50 deposit. Third-time applicants can apply for up to 50% of the cost of the camp session, less the \$50 deposit. Priority will be given to first-time applicants.

How do I apply for camperships?

You must register for camp and pay the \$50 deposit, then complete the registration form online.

When is the deadline to apply?

Campership applications open January 8, 2025, and all applications are due by February 19, 2025.

More Info?

Email camp@girlscoutsdiamonds.org

How do I know if we receive a campership?

Camperships will be applied to accounts by March 1, 2025.

How can I contribute to camperships?

Camperships do not exist without the generosity of our donors. If your family is interested in donating to camperships to make camp a reality for a sister Girl Scout, please email funddevelopment@girlscoutsdiamonds.org or visit girlscoutsdiamonds.org/give to donate directly to the campership fund.

Cookies to Camp

Want to earn a week at camp!?

Girl Scouts have an opportunity to earn a week of camp by participating in the 2025 Cookie Program and selling 3,000+ packages of cookies (troop must opt into rewards for Girl Scouts to earn).

Financials/Paying for Camp

Girl Scouts – Diamonds encourages Girl Scouts to participate in Product Programs and select Traditional Diamonds Dollars as a reward to assist in covering camp fees. Girl Scouts can apply Traditional Diamonds Dollars earned through the 2024 Fall Product Program and the 2024 Cookie Program toward 2025 camp fees, excluding the deposit. Traditional Diamonds Dollars earned during these programs expire on June 30, 2025, so they will need to be applied toward camp balances prior to this date. To apply these funds to a Girl Scout's camp fee balance, call or visit the Diamonds retail shop to process payment.

FAQs

Who can attend Girl Scout summer camp?

Summer camp is open to all campers in grades K-12. Each session has grade requirements which must be met to prioritize the health, safety and well-being of all campers.

My camper is not a Girl Scout member but would like to attend camp. Can they attend and are there additional fees?

Yes, Girl Scout camps are open to all. Campers who are not members of Girl Scouts will pay an additional \$25 for their membership. This membership expires September 30, 2025

When does Girl Scout summer camp registration open?

Registration opens January 8, 2025, at 9am. Be on the lookout for a SPECIAL SALE starting November 28!

Can campers attend with a friend?

Yes! Buddies must be in the same age group and register for the same session.

How is my child safe?

Your camper's safety is our number one priority. We follow state licensing, ACA accreditation, and Girl Scout safety standards which include, but are not limited to:

- ♦ Background checks for all adult camp staff and volunteers.
- ♦ Certified lifeguards, health supervisors, and high-risk activity instructors.
- ♦ Training for all staff and volunteers to prioritize your camper's physical and emotional wellbeing.

Can campers bring a cell phone?

No. Our camps are unplugged to let campers connect with nature, others, and themselves. The camp director will contact caregivers if a camper has a medical problem, is excessively homesick, or has an emergency.

Is my camper ready for camp?

Yes! At both day and overnight camp, campers will be paired with others their own age and participate in activities appropriate for their level of camp experience. They will create memories that will last a lifetime and stories they will look forward to sharing with you. If you are considering camp for the first time, try Troop Camp or our Mini-Camp.

Why is CIT II \$800?

A regular week of camp is \$450. CIT II campers are attending two weeks as campers and have a \$100 discount due to the time they are spending immersed with girls practicing the skills they are learning. The third week of CIT II is spent as a junior counselor in unit with girls. CIT II's are not being charged for this week.

Why is equine programming more than regular?

There is a per day barn fee added to each equine camp session to support the equine program, which is costly to operate.

Who are the camp staff and volunteers?

We select talented, experienced, and caring adults to serve as role models and caretakers. They are selected because they have a genuine desire to work with campers and are trained in areas such as first aid and CPR, emergency procedures, child development, mental and behavioral health, working through homesickness, team building, and more.

What certifications do staff have?

- ♦ Youth Mental Health First Aid, CPR/First Aid, various activity certifications including Archery, Lifeguard, Low Ropes, BB gun, Hatchet and Knife Throwing, etc.
- ♦ Kitchen staff is ServSafe certified.
- ♦ NOARK Camp Director is a Certified Camp Director with ACA, is a SERVSAFE Manager and F.A.R.E. certified and is Wilderness First Aid certified.
- ♦ STEAM Center Camp Director is a certified day camp director with American Camp Association.
- ♦ Equine Manager is a Certified Horsemanship Association instructor.

Parent to Camper Communication

Campers absolutely adore receiving mail! We highly recommend sending daily messages to your camper. When sending letters, please ensure they are upbeat, positive, and encouraging for all campers.

Campers also enjoy sending mail themselves. We suggest providing pre-stamped envelopes with your camper so they can share their camp experiences with you. Please be aware that mail delivery may be slow, and you may not receive letters while your camper is at camp.

Our continued partnership with Bunk1 allows you to view photos of your camper (for free), and, for an additional fee, 'Bunk Notes' can be sent to your camper throughout her session. Bunk1 makes it easy to communicate with your camper! Using a secure login, you'll be able to send a "Bunk Note" to your camper by 10am CST, and it will be delivered with the day's mail. Please pay close attention to the cutoff times to ensure delivery on the last day of camp. Please note this is a one-way email process. Your camper will not be able to reply via email.

NOTE: If you have not given permission for your camper to be photographed, she will be given a green, tie-dye silicone bracelet to wear the entirety of the week at camp. Photos of your camper will be uploaded to Bunk1 so you can access them. Our intent is not to use these photos for any other purpose by the Girl Scouts – Diamonds communications team or other staff, so long as your camper and/or the bracelet are identifiable so the photos can be removed. We are happy to discuss specifics with you before camp or when you check in with your camper.

When Your Camper Goes to Camp

Council Transportation

The camp experience can begin on the van ride to Camp NOARK! We encourage parents/guardians to allow their camper to ride the van from the regional office. It's a great way to make new friends and camp memories!

Self-Transportation

Your camp experience begins the second you depart for Camp NOARK! Be excited for your camper!

Check-in

Check-in is Sunday, 3-4pm. Please do not arrive early. Early arrivals will not be admitted into Camp NOARK. The speed limit on camp is 15mph. You will be directed to the Dining Hall to begin check-in.

When you arrive at the Dining Hall, you will visit each of the following stations:

STATION 1: CAMPER CHECK-IN

- ◆ Check-in is processed by the camper's LAST NAME. We will verify the completion of the camper's digital paperwork. Any paperwork that is missing must be turned in or completed prior to leaving this station.

STATION 2: HEALTH PROCESSING

- ◆ Check in with the camp health staff to turn in all over-the-counter and prescription medications.
- ◆ Any prescription medication, over-the-counter medication, supplements, or vitamins must be given to the nurse for distribution in the original bottle/container.
- ◆ All medication must be accurately reported in CampDoc by the caregiver, including supplements, vitamins, and over-the-counter medications.
- ◆ Prescription medication cannot be administered in dosages outside of the label scope. If you require alternate delivery of medications, please ask your doctor to

resubmit the prescription so the bottle matches the requested administration. We are legally obligated to administer medication only as prescribed.

- ◆ Any special circumstances surrounding medical conditions or behaviors must be documented in CampDoc and the camper must check in with the health staff.
- ◆ NO supplements or medications, over-the-counter or prescription, can be in the camper's possession.
- ◆ Campers with inhalers and EpiPens can carry them as directed/needed AFTER being checked in with the camp health staff.

STATION 3: HEAD LICE

- ◆ Every camper will receive a head lice examination. Please know hair will be taken down to allow for proper head checks.
- ◆ Any camper presenting with head lice will not be permitted to attend camp. Please note there are no refunds for this situation.

STATION 4: DIETARY VERIFICATION

- ◆ Any camper with dietary restrictions or allergies must speak to the kitchen manager at check-in. This ensures that your camper begins a relationship with the kitchen manager and learns any special procedures to accommodate their dietary needs.

STATION 5: MAIL/CARE PACKAGE

- ◆ Families are encouraged to communicate with campers. There are multiple ways to do so. You can bring letters, cards or care packages to camp, or you can use Bunk1 to send camper letters. Each session is broken out by units. Every unit will have a mail bucket.
- ◆ Drop any camper mail or packages into the appropriate unit mail bucket.
- ◆ Ensure camper mail/care packages are labeled with the camper's name, unit, and day of delivery.
- ◆ Note: Sunday mail is given to campers after dinner. Monday-Thursday mail is given after lunch during turtle time. There is no mail delivery on Friday.

- ◆ Please make sure your camper understands any mail they send back to you will not likely reach home prior to their arrival back home. They are not able to access electronics to email or text.

STATION 6: TRADING POST

- ◆ Need a camp care package? Visit the Trading Post.
- ◆ The Camp NOARK Trading Post has lots of incredible merchandise for campers to use throughout the week of camp or to have a way to remember their week at camp in the future.
- ◆ The Trading Post is only open during drop off and pick up.
- ◆ **NEW!** Diamonds Dollars are eligible to be spent at the Trading Post.

Time to Drop Off!

All campers will be dropped off in their unit.

For the safety of all campers, we request that all cars be off the property by 4:30pm, as gates will be closed and locked at this time.
