ABOUT CAMP 501

We're excited to host our CAMP 501 fundraising event to benefit Girl Scouts in our region!

After the success of our 2023 Camp 479 event in northwest Arkansas, we are thrilled to add Camp 501 in Little Rock to the 2024 lineup.

Have your own Girl Scout Camp adventure! Join us for an evening of fun for both men and women, with camp and outdoor activities along with signature cocktails, dinner, music and a silent auction. Camp 501 is designed to give guests just a taste of the outdoor skills and adventures girls experience in Girl Scouts. Gather your “troop” of friends, learn new skills, and earn badges – just like a Girl Scout!

Camp 501 supports Girl Scouts – Diamonds of Arkansas, Oklahoma and Texas, your local Girl Scout council. Funds from Camp 501 will go toward the fulfillment of the Girl Scouts – Diamonds mission of building girls of courage, confidence and character.

Our planning committee of dedicated volunteers from central Arkansas expect 400 guests from local businesses, government, education and nonprofit institutions. What a great way to have fun and network while also showing your support for girls and leadership development!

What Girl Scouts Do

Their dreams, ideas and ambition are part of our DNA. Girl Scouts gives girls the tools to fuel their ambition, try new things, learn from failure, and make the world a better place. Girl Scouts lead their own adventures and team up with their fellow troop members to choose the hands-on activities that excite them most. Girl Scouts focuses on four key pillars: Camp and outdoors, STEAM, life skills, and leadership. Through the progression of the Girl Scout programming, girls build on the knowledge and skills they gain year after year. And as their confidence grows exponentially, and they'll be eager to take the next steps.

The Benefits of Girl Scouting

When girls participate in Girl Scouts, they benefit in five important ways:

1. Strong Sense of Self
2. Positive Values
3. Challenge Seeking
4. Healthy Relationships
5. Community Problem Solving

When girls exhibit these attitudes and skills, they become responsible, productive, caring and engaged citizens.

The Impact of Girl Scouting

Girl Scouts who earn the Gold Award, the highest award in Girl Scouting, are eligible for numerous scholarships and can enter the military at an advanced rank.

With over 50 million alums, more than 1-in-3 women in the U.S. were a Girl Scout at one time.

79% of Girl Scouts have an entrepreneurial mindset, compared with only 52% of non-Girl Scouts.
