# What is the GSLE?

We all know the Girl Scout mission: building girls of courage, confidence and character, who make the world a better place. But how does that happen? Our success comes from focusing on the Girl Scout Leadership Experience (GSLE).

The GSLE is designed to help girls develop as leaders and build confidence by learning new skills. It also ensures that Girl Scouts at every level are sharing a powerful, national experience.

## Four Pillars of the GSLE

Everything in Girl Scouts centers around our four pillars, designed to meet her where she is now and to grow along with her. Whether she's building a robotic arm, coding her first app, packing for her first hike, or advocating for change in her community, a Girl Scout has an exciting array of choices to suit her interests at every age.

## Five Outcomes of the GSLE

Our Girl Scout Leadership Experience is a one-of-a-kind leadership development program for girls, with proven results.

When girls participate in Girl Scouts, they thrive in five key ways:

1. Strong Sense of Self

2. Positive Values

3. Challenge Seeking

4. Healthy Relationships

5. Problem Solving

## Community Programs

We have community program troops based in schools, after-school programs, or other easy-to-access community spaces for girls and their families. Our staff work with their leaders to provide an enriching curriculum and connect them to events and camping opportunities! We also offer Girl Scouts Rise, an alternative pathway in the juvenile justice system that provides opportunity for personal growth, development, and community service.

### Questions about Community Programs?

Reach out to [program@girlscoutsdiamonds.org](mailto:program@girlscoutsdiamonds.org)

## Girl Scouts Rise

Girl Scouts Rise is a prevention and intervention program designed to increase protective factors, reduce risk factors and support positive decision-making in low- to medium-risk teen and tween girls in the juvenile court system.

Girl Scouts Rise provides a safe environment and extensive support for this vulnerable population through relationship building, health education, creative expression, service to the community, life skills, and tools to make positive choices. We believe changing the current trajectory of a girl has the ability to change her life, her family and her community.

A "tagalong" is any family member 4 and under. Unless otherwise noted in event descriptions, tagalongs are not allowed at events due to liability issues and limited space.

A "family guest" is any child or adult other than the specific age level being served at the event. Family guests are only allowed if the event specifies. Family guests must be registered for events as a family guest to attend.

# How to Register for a Program Online

Registering online is the quickest way to reserve your spot in the program you want to attend. Here are some tips to help you get started!

- ◆ You can view programs you are registered for and past events you attended in the My Events tab of your MY GS account. You can also easily see if you still owe a balance on any program registration fees.
- ◆ Troop co-leaders can register family members and troop members for programs.
- ◆ You can let us know if you want to pay via program credit (Diamonds Dollars), though more action is still required:
  - ◆ NOTE: Your spot won't be saved until the program registration fee is paid in full or the deposit is paid (on applicable programs).
  - ◆ To process payments using Diamonds Dollars, please call the retail shop at 800-632-6894
- ◆ Some programs have required documents and additional information for registrants. To check if this applies to you, return to the program in the My Events tab and see "Additional Documents."

## EVENT ETIQUETTE

All adults and girls are expected to follow all components of the Girl Scout Law. Please adhere to the Safety Activity Checkpoints to ensure the safety of Girl Scouts, families, leaders, and staff. It's important to have directions to the event venue and plan on their arriving with enough time to walk to check-in before the start time. Please be sure to check the weather and dress appropriately for the type of event you are attending. Let girls take the lead! While adults should be nearby to supervise, allow girls to do activities with minimal adult intervention. Sometimes event leaders need extra help to manage activities. If you have extra adults or self-sufficient girls, consider asking how you can help. Be sure to thank your event leaders for sharing their time and skills with you!

## COUNCIL ADVISORY TEAM (CAT)

The Council Advisory Team (CAT) is a select group of volunteers and girls who are the voice for their regional areas, sharing/discussing information and issues with the Girl Scouts – Diamonds president and CEO and the 2nd vice-chair of the board of directors, and are responsible for taking information back to their respective service units and sharing with other members.

## PROGRAM AIDE TRAINING

Program Aide training gives Cadette Girl Scouts an opportunity to deepen their understanding of what leadership means to them while also learning how to work with younger Girl Scouts. This training is a prerequisite for any Girl Scout wishing to earn her Program Aide Pin. Program Aides may put their skills into practice by working with younger Girl Scouts at council programs, camps, and troop and service unit events.

## VOLUNTEER IN TRAINING

The Volunteer in Training program is for Senior and Ambassador Girl Scouts who'd like to mentor a Girl Scout Daisy, Brownie, Junior or Cadette group outside of the camp experience. This training is completely virtual and is one part of the requirements to earn the VIT pin. Once a Girl Scout has completed this training, she should find a volunteer mentor and create and implement a thoughtful Journey or badge program over four or more meetings/sessions.

Email [program@girlscoutsdiamonds.org](mailto:program@girlscoutsdiamonds.org) to request VIT training today!

## HIGHEST AWARDS

#### **GIRL SCOUT CADETTES (GRADES 6-8)**

The Girl Scout Silver Award is the highest award a Girl Scout Cadette can achieve and gives girls a chance to work with a small team or as an individual. Girls focus on projects that make lasting change in their communities.

### Girl Scout Gold Award

## ABOUT DIAMONDS DOLLARS

Diamonds Dollars are an electronic credit acknowledging a Girl Scout’s work and entrepreneurial success. These credits are earned through participation in Girl Scout Product Programs. These credits are to be used as a Girl Scout wishes and at no time should there be pressure by a troop leader or adult to share credit with another individual or group.

There are two types of Diamonds Dollars a Girl Scout can choose: online or traditional. What they can be used for differs between the cards. We ask Girl Scouts and caregivers to choose the type that best suits their needs.

Online Diamonds Dollars can be used online at <https://www.girlscoutshop.com>. Online Diamonds Dollars cannot be used in the Council Retail Shop or used towards program registration fees.

- ♦ Traditional Diamonds Dollars can be used in the Council Retail Shop and applied to program registration or membership fees.
- ♦ If you have additional questions about Diamond Dollars, please contact our team at [product@girlscoutsdiamonds.org](mailto:product@girlscoutsdiamonds.org).

# Notes from the Communications Team

We know how important volunteers are to the Girl Scout organization. You are key in bringing the best experiences to the girls you serve, and sharing the Girl Scout story to bring awareness to those outside our organization.

## HOW YOU CAN HELP US

### SHARE YOUR PHOTOS AND STORIES

We rely on volunteers and caregivers to send us photos that document all the great things girls and volunteers are doing. Please keep those photos coming to [online@girlscoutsdiamonds.org](mailto:online@girlscoutsdiamonds.org). We are always looking for Girl Scout stories!

### SEND US PROMOTIONAL MATERIAL OR OTHER BRANDED ITEMS FOR APPROVAL

Before sharing flyers or buying shirts, please send your art to us for approval! This helps us keep your designs and the Girl Scout brand looking as good as possible.

### FOLLOW US ON SOCIAL MEDIA

Keep up with what Girl Scouts in your community are doing by following us on Facebook and Instagram! Sharing our posts on your troop or service unit pages helps spread the word about events and activities to those who may not follow us, and sharing to your personal accounts helps others learn more about today's Girl Scouts.

### SHARING YOUR STORIES WITH THE MEDIA

We're excited to have you tell the Girl Scout story and are here to help you along the way! Before reaching out or responding to local media, please touch base with the communications team to review your materials and ensure your content and branding is correct. We can also give you tips and tricks for pitching your story, interview etiquette, and more to give your story the impact it deserves.
