# What is the GSLE?

We all know the Girl Scout mission: building girls of courage, confidence and character, who make the world a better place. But how does that happen? Our success comes from focusing on the Girl Scout Leadership Experience (GSLE).

The GSLE is designed to help girls develop as leaders and build confidence by learning new skills. It also ensures that Girl Scouts at every level are sharing a powerful, national experience.

## Four Pillars of the GSLE

Everything in Girl Scouts centers around our four pillars, designed to meet her where she is now and to grow along with her. Whether she's building a robotic arm, coding her first app, packing for her first hike, or advocating for change in her community, a Girl Scout has an exciting array of choices to suit her interests at every age.

## Five Outcomes of the GSLE

Our Girl Scout Leadership Experience is a one-of-a-kind leadership development program for girls, with proven results.

When girls participate in Girl Scouts, they thrive in five key ways:

1. Strong Sense of Self

2. Positive Values

3. Challenge Seeking

4. Healthy Relationships

5. Problem Solving

## Community Programs

We have community program troops based in schools, after-school programs, or other easy-to-access community spaces for girls and their families. Our staff work with their leaders to provide an enriching curriculum and connect them to events and camping opportunities! We also offer Girl Scouts Rise, an alternative pathway in the juvenile justice system that provides opportunity for personal growth, development, and community service.

### Questions about Community Programs?

Reach out to [program@girlscoutsdiamonds.org](mailto:program@girlscoutsdiamonds.org).

## Girl Scouts Rise

Girl Scouts Rise is a prevention and intervention program designed to increase protective factors, reduce risk factors and support positive decision-making in low- to medium-risk teen and tween girls in the juvenile court system.

Girl Scouts Rise provides a safe environment and extensive support for this vulnerable population through relationship building, health education, creative expression, service to the community, life skills, and tools to make positive choices. We believe changing the current trajectory of a girl has the ability to change her life, her family and her community.

# Event Registration and Information

## ACCOMMODATIONS

Please list all accommodations needed (allergies, accessibility needs, etc.) on the online event registration form.

## EVENT CANCELLATIONS

If an event is canceled, the person listed on the registration form as the troop or parent contact will be notified by phone or email. For troop registrations, it will be the responsibility of the troop contact person to notify all girls registered for the event. Cancellations initiated by the council or program partner will result in a full refund of fees paid.

## FEES

Event fees are charged to cover administrative costs, badge/patch fees and other fees associated with hosting the program. Fees can be paid through troop funds, individually, or with Diamond Dollars. Scholarships are not available for event fees.

## EVENT FEE REFUND/SUBSTITUTIONS

Event fee refunds will be given if the registrar is notified in writing 10 business days PRIOR to the event. No-shows will be refunded only in the case of serious illness or family death. For serious illness, a doctor's written note is required and should be submitted within 7 days after the event. Events that are \$5 and under are ineligible for a refund. Substitutions are welcome, but please notify staff during check-in if you are substituting one Girl Scout for another.

## EVENT MINIMUMS

Each event has a minimum number of attendees necessary for the event to occur. Event minimums will be stated in the event description on the registration page. If the minimum is not reached, it will be canceled and registrants will receive a refund.

## REGISTRATION

Registration for programs is through gsEvents, which can be accessed from the MyGS tab on our website. All families have a MyGS account (please use the forgot password option if you do not know your password). Registrations are accepted on a first-come, first-served basis. We cannot hold space without payment.

## REGISTRATION DEADLINES

Please be mindful of event registration deadlines! Early registration is encouraged, as many events fill quickly. Fees may increase past the registration deadline or spots may not be available. Late registration for events is not accepted. The [Program Registration Information](#) document answers your questions about deadlines, fees, refunds, cancellations and more!

## TAGALONGS AND FAMILY GUESTS

A "tagalong" is any family member 4 and under. Unless otherwise noted in event descriptions, tagalongs are not allowed at events due to liability issues and limited space.

A "family guest" is any child or adult other than the specific age level being served at the event. Family guests are only allowed if the event specifies. Family guests must be registered for events as a family guest to attend.

# How to Register for a Program Online

Registering online is the quickest way to reserve your spot in the program you want to attend. Here are some tips to help you get started!

- ◆ You can view programs you are registered for and past events you attended in the My Events tab of your MY GS account. You can also easily see if you still owe a balance on any program registration fees.
- ◆ Troop co-leaders can register family members and troop members for programs.
- ◆ You can let us know if you want to pay via program credit (Diamonds Dollars), though more action is still required:
  - ◆ NOTE: Your spot won't be saved until the program registration fee is paid in full or the deposit is paid (on applicable programs).
  - ◆ To process payments using Diamonds Dollars, please call the retail shop at 800-632-6894
  - ◆ Some programs have required documents and additional information for registrants. To check if this applies to you, return to the program in the My Events tab and see "Additional Documents."

## EVENT ETIQUETTE

All adults and girls are expected to follow all components of the Girl Scout Law. Please adhere to the Safety Activity Checkpoints to ensure the safety of Girl Scouts, families, leaders, and staff. It's important to have directions to the event venue and plan on their arriving with enough time to walk to check-in before the start time. Please be sure to check the weather and dress appropriately for the type of event you are attending. Let girls take the lead! While adults should be nearby to supervise, allow girls to do activities with minimal adult intervention. Sometimes event leaders need extra help to manage activities. If you have extra adults or self-sufficient girls, consider asking how you can help. Be sure to thank your event leaders for sharing their time and skills with you!

# OLDER GIRLS

## Council Advisory Team

The Council Advisory Team (CAT) is a select group of volunteers and girls who are the voice for their regional areas, sharing/discussing information and issues with the Girl Scouts – Diamonds president/CEO and the 2nd vice-chair of the board of directors, and are responsible for taking information back to their service units and other members.

For more detailed information about the CAT selection process, member requirements and duties, visit the [Governance page](#). To request a copy of the CAT application, please email: [exeassist@girlscoutsdiamonds.org](mailto:exeassist@girlscoutsdiamonds.org).

## Program Aide Training

Program Aide training helps Cadette Girl Scouts deepen their understanding of what leadership means to them while learning how to work with younger Girl Scouts. This training is a prerequisite for any Girl Scout wishing to earn her Program Aide Pin. Program Aides may put their skills into practice by working with younger Girl Scouts at council programs, camps, and troop and service unit events.

## Volunteer in Training

The Volunteer in Training (VIT) program is for Senior and Ambassador Girl Scouts who'd like to mentor a Girl Scout Daisy, Brownie, Junior or Cadette group outside of the camp experience. This fully virtual training is one part of the requirements to earn the VIT pin. Once a Girl Scout has completed this training, she should find a volunteer mentor and create and implement a thoughtful Journey or badge program over four or more meetings/sessions.

Email [program@girlscoutsdiamonds.org](mailto:program@girlscoutsdiamonds.org) to request VIT training today!

### Girl Scout Silver Award

**GIRL SCOUT CADETTES | GRADES 6-8**

The Girl Scout Silver Award is the highest award a Girl Scout Cadette can achieve and gives girls a chance to work with a small team or as an individual. Girls focus on projects that make lasting change in their communities.

# My Promise, My Faith

The Girl Scout My Promise, My Faith pin invites girls in grades K-12 to experience a faith journey through exploration of the Girl Scout Law and teachings of their faith. The My Promise, My Faith award complements existing religious recognitions and allows all girls to further strengthen the connection between their faith and Girl Scouts. Specific requirements for this award can be found in the Volunteer Toolkit or by reaching out to [program@girlscoutsdiamonds.org](mailto:program@girlscoutsdiamonds.org).

Girls can also earn religious recognitions through the "To Serve God" program. This program was developed to encourage members to grow stronger in their faith. These programs have been approved by GSUSA and awards can be worn on front of vest or sash.

## How to Get Started:

1. Girls must obtain specific booklet for their religion by contacting religious organization.
  - ◆ More information can be found here [www.praypub.org/gsusa](http://www.praypub.org/gsusa).
2. Caregivers should review program guidelines.
3. Caregivers should talk to their religious leaders and show them the booklet before beginning any program.
4. Girls must complete requirements, obtain proper signatures and follow the instructions to order the recognition or pin

# Notes from the Communications Team

We know how important volunteers are to the Girl Scout organization. You are key in bringing the best experiences to the girls you serve, and sharing the Girl Scout story to bring awareness to those outside our organization.

## How You Can Help Us

### SHARE YOUR PHOTOS AND STORIES

We rely on volunteers and caregivers to send us photos that document all the great things girls and volunteers are doing. Please keep those photos coming to [online@girlscoutsdiamonds.org](mailto:online@girlscoutsdiamonds.org). We are always looking for Girl Scout stories!

### SEND US PROMOTIONAL MATERIAL OR OTHER BRANDED ITEMS FOR APPROVAL

Before sharing flyers or buying shirts, please send your art to us for approval! This helps us keep your designs and the Girl Scout brand looking as good as possible.

### FOLLOW US ON SOCIAL MEDIA

Keep up with what Girl Scouts in your community are doing by following us on Facebook and Instagram! Sharing our posts on your troop or service unit pages helps spread the word about events and activities to those who may not follow us, and sharing to your personal accounts helps others learn more about today's Girl Scouts.

### SHARING YOUR STORIES WITH THE MEDIA

We're excited to have you tell the Girl Scout story and are here to help you along the way! Before reaching out or responding to local media, please touch base with the communications team to review your materials and ensure your content and branding is correct. We can also give you tips and tricks for pitching your story, interview etiquette, and more to give your story the impact it deserves.
